Hire of Pioneering Equipment

Please note that all equipment is hired out on the understanding that all losses or damage to equipment will be charged to the hirer.

The cost of replacement items has risen substantially. A runway block costs over £500, a Maul Handle is £20 and an 18' peg is £3. Ropes vary according to the size and will be charged by the metre.

All charges for loss or damage will be raised after an inspection as soon as possible following your hire and return.

I understand that we are fully responsible for the replacement cost of damaged or lost items of all the equipment hired for use at Hamlet Wood or Off-site.
